

GOLDEN ROSE INVOCATION

ISIS INVOCATION

Hail to thee, O Isis

Hail to the Mother of Divine Feminine Oneness.

I come as an Initiate on the path of the Rose,
To imbue the Isis Mysteries within as a Womb Priestess.

Bless me, Graceful High Empress cosmic love.

Open your wings of Golden Light and bestow blessings of Self-loving thy self, upon me.

Hail to thee, O Isis

Saturate me with the fragrance of lotus, rose, and orange blossom.

I behold thy heavenly presence as you appear before me,
Thou who sits upon a throne of royal Gold.

Hail to thee, O Isis.

Hail Great Goddess who appears before me,
Who came into sacred Union with the God Osiris,
Your Holy divine counterpart an embodiment of Divine Masculine Oneness
Who, with your fertile Womb birthed the Holy Child of Gaia,

Horus.

Blessed Be Blessed Be Blessed Be.
